Legislative Notification to NH Retirement System Members: Member Contribution Rate Increase

House Bill 2 (HB2) makes comprehensive changes to RSA 100-A, the statute governing the retirement system. The bill became law without the Governor's signature at 12:00 a.m. on June 29, 2011. Some of the retirement system-related sections of the HB2 took effect upon passage, some sections take effect July 1, 2011, and other sections take effect Jan. 1, 2012.

This notification is intended to provide active members with notice of changes to the member contribution rate. The retirement system will provide a more detailed description of the other changes to RSA 100-A in subsequent notices.

The member contribution rates contained in HB2 are:

Group I Employee and Teacher: 7 percent.

Group II Police: 11.55 percent.

Group II Fire: 11.8 percent.

Employers have been instructed to use the above rates on any compensation **paid to a member on or after** July 1, 2011.
