**2009 LEGISLATIVE NOTIFICATION TO NH RETIREMENT SYSTEM PARTICIPATING EMPLOYERS
AS REQUIRED UNDER RSA 100-A:14, XII**

BILL NUMBER: House Bill 2

DATE OF INTRODUCTION: 03/04/2009

DESCRIPTION: Modifies RSA 100-A:16, II(b) and (c) changing the contribution percentage funded by local employers and the State from a 65/35% cost-sharing of total contributions to 70/30%, respectively, for teacher, fire and police members who work at the local or county level.

ANALYSIS: House Bill 2 reduces the amount of cost-sharing that the State would be required to pay. In the case of State Group II members, the State would continue to pay 100% of the employer contribution. The local employer and the State pay 100% of the total contribution rate for respective Group I employee members.

COST TO EMPLOYERS: The local employers' cost for employer contributions will increase by 5% of the total contribution rate for police, teacher and fire personnel. For example, using rates effective 7/01/09 for a police officer, the total rate will be 19.51%. The State would pay 5.85% under this provision, rather than 6.83% and the local employer would pay 13.66%, rather than 12.68%.

State, county and local revenues are not impacted as a result of this bill.
