**2009 LEGISLATIVE NOTIFICATION TO NH RETIREMENT SYSTEM PARTICIPATING
EMPLOYERS AS REQUIRED UNDER RSA 100-A:14, XII**

BILL NUMBER: House Bill 632

DATE OF INTRODUCTION: 01/08/2009

DESCRIPTION: This bill would grant Group II status to eligible members of the NH Hospital police force.

ANALYSIS: This proposal represents a small group of currently four positions that could change from Group I to Group II NHRS member classification.

COST TO EMPLOYERS: Due to the small population currently covered by this proposal, the NHRS employer contribution rates would not be impacted. However, the State, as the employer, would pay an additional 7.73% in payroll for those members reflecting the change in contribution rates when switching from Group I to Group II. The unfunded actuarial accrued liability for the NHRS would increase \$82,011 as a result of this proposal.
