<p>I hereby authorize the Retirement Annuity Deduction shown above to be deducted from my monthly retirement annuity. Further, I hereby authorize, without further notice to me, any increase or decrease in the amounts to be deducted if the premium(s) for my existing coverage and/or the amount of the Medical Subsidy subsequently changes.</p> <p>I understand that eligibility for the Medical Subsidy is conditioned upon my being the policyholder/subscriber of the health insurance plan. If it is determined by the NHRS that I qualify for the Medical Subsidy pursuant to RSA 100-A:50-55, all subsidy amounts payable on behalf of my spouse, certifiably dependent child or me will be applied to my health insurance premium. The balance of the premium due, if any, will be deducted from my monthly retirement annuity effective as of the first of the month following attainment of Medical Subsidy eligibility.</p> <p><u>Change in Eligibility Status:</u> Because a change in my marital status, the death of my spouse, loss of Medical Subsidy eligibility by my certifiably dependent child, or the entitlement to Medicare benefits by my spouse, certifiably dependent child or me affects eligibility for and the amount of the Medical Subsidy, I agree to notify NHRS and my former employer within 30 days following the occurrence of any of the named events. I understand that NHRS reserves the right to recover all Medical Subsidy amounts paid on behalf of a divorced spouse, deceased spouse, certifiably dependent child who has lost Medical Subsidy eligibility, and/or all overpayments resulting from my failure to report Medicare eligibility.</p>
