

Unclaimed Member Accumulated Contributions

Prior to 2008, state law required NHRS to refund member accumulated contributions to terminated members after a set period of inactivity. The retirement system has been unable to locate some of these terminated members to make them aware that they have funds held by the retirement system. If you are a terminated member (or the executor of a deceased member's estate) included on this list, please download and submit the *Application to Develop Basic Fund Record for Terminated Members* form to initiate the claim process. The form is available on this page:

<https://www.nhrs.org/members/unclaimed-contributions>

If you have any questions, please email NHRS at info@nhrs.org.
