Mr. Lagos reviewed previously distributed documents relating to delegation of authority, including updated provisions and flow charts relating to the investment and finance functions. Mr. Lagos explained that the documentation presented reflected the current processes and procedures and noted that additional review and analysis would most likely result in modified procedures and authorities with respect to which required further specificity with respect to authorities governing financial transactions and the movement of funds. It was further noted that the delegations were also going to be presented to the Audit Committee and the Governance Committee for review and approval in advance of being submitted to the Board.
Trustee Crombie made a motion, seconded by Trustee Shapiro to recommend the Delegation of Authority documents for approval by the full Board, subject to the finalization of the financial controls and authority provisions for the Finance and Investment functions. The motion carried unanimously.

Chair Gustafson asked Mr. Lagos for an update on the Hay Report. Mr. Lagos indicated that there were ongoing discussions with Myriam Michaels to finalize the report and to remit payment for the final invoice which had been rendered. The expectation was that all aspects would be resolved by the date of the next committee meeting.

The committee reviewed an updated draft PPCC Charter which incorporated provisions related the committee’s role in collective bargaining. Trustees Gustafson suggested a revision to eliminate reference to a particular union, whereupon Trustee Crombie suggested a revision to eliminate “…and SEIU Local 1984” and substitute “…bargaining unit(s).” Upon motion by Trustee Crombie, seconded by Trustee Shapiro, it was unanimously voted to recommend to the full board that it approve the proposed revised Charter for the PPCC Committee, as amended.

Mr. Lagos provided a brief update to the Committee regarding staff’s initiative to update, standardize and organize NHRS policies and procedures. He noted once again that Nina Calkins, the project manager was doing a very good job keeping the project moving forward.

Under other business, Mr. Lagos presented materials from Hewitt Ennisknupp on the subjects of Board self evaluation and Executive Director evaluation, indicating that Nancy Williams would be attending the September board meeting to make a presentation. After discussion it was agreed that the recent survey undertaken by the board should be repeated in six months time, and that the appropriate timing for the Executive Director review would be after January 1st, in accordance with the employment agreement.

Trustee Crombie made a motion, seconded by Trustee Shapiro to enter non-public session under RSA 91-A:3, II(c) for the purpose of discussing a matter which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the public body itself.
