

## NHRS MEMBER SATISFACTION SURVEY SUMMARY

### Fiscal Year 2024

#### Overview

NHRS has been utilizing member satisfaction surveys since July 2013. The following summary provides a high-level overview of key survey results for Member Services. Negative comments are identified when responses are received and, in keeping with our mission to provide superior service, managers reach out to anyone who had an unsatisfactory experience and provided their name and/or contact information.

\* Contact center management reviews all 'somewhat dissatisfied' and 'very dissatisfied' calls to understand whether members were truly dissatisfied with their service or if they simply selected an incorrect response option. Since calls are recorded, every call in these two categories is listened to and a report is issued. These reports will be used to determine if our survey options need to be modified, and serve as a training tool for our contact center representatives.

## ED Telephone Surveys

In October 2021, the Executive Director resumed making calls to stakeholders to inquire about their level of satisfaction with NHRS. These calls had been discontinued in March 2020 at the onset of Covid-19. On a weekly basis, a list of ten (10) members who have visited or called NHRS are selected at random and provided to the Executive Director.

The Executive Director, in turn, contacts or attempts to contact each member on the list to inquire about their satisfaction with the service received. Below are the results for the quarter.
